UP NEXT

NOVEMBER 14, 2019

Our 4th quarter event will be in the theme of holiday - thankfulness. As we approach the new year creatives will be able to reflect on all the dope things they've accomplished. We'll have several activities for guests to share those wins with other creatives.

In the spirit of thankfulness and giving back... we'll be asking all attendees to donate canned goods and other non perishable items to the Houston Food Bank.

JANUARY 2020

New year... who this? At the start of every year we'll gather our creative community to network over vision boards. This event is our biggest turn out of the year, with almost 150 attendees. The #LinkUpHTX squad provides boards, markers, glue, magazines and other supplies for guests to come and set their intentions for the new year!

MAY 2020

During the 2nd quarter we take a more relaxed approach and host a huge game night. What's more fun than meeting new people while playing Twister or a game of UNO with giant cards? #LinkUpHTX Game Night 2.0 is our most chill event with Super Mario Bros playing on a projector and a Dj setting the Summer vibes.

AUGUST 2020

It's a market! Meet us and local small business owners for our end of the Summer networking social. This event guests are able to shop small biz, enjoy live music, live art... and food! August 2019 we hosted outdoors in a beautiful graden with backdrops perfect for instagramable photo moments.
